OBJECTIVES OF THE EVENT

- Provide a platform to bring youth from the Mediterranean region together to discuss common challenges and opportunities, showcase success stories and share experiences, good practices and lesson learnt for forest and ecosystem restoration.
- Contribute to the participation, recognition and visibility of youth in the forest sector and find a unified youth regional voice to produce a statement with recommendations to High-Level practitioners and decision makers to be presented at the seventh Mediterranean Forest Week.
- Contribute to the foundation of a contact list of regional youth leaders to promote further exchanges for the seventh Mediterranean Forest Week, the XV World Forestry Congress and to join forces with the #GenerationRestoration Youth Task Force of the UN decade on Ecosystem Restoration and the World Food Forum.

The event will be held in English and French
